

UMCOR/Mission of the Month

On UMCOR Sunday, gifts like yours make it possible for UMCOR to use 100% of all other contributions on the projects donors specify, instead of on administrative or fundraising costs. Donations received during this time of special giving serve to cover the costs of doing business so that every designated gift can go 100% to the specific project or disaster.

Compelled by Christ, UMCOR staff work globally to alleviate suffering and advance hope and healing. UMCOR's work is founded on the belief that positive, sustainable change is best done alongside and in support of communities.

United States disaster relief works with the conference disaster response ministries to provide financial assistance, disaster expertise, and connections with nongovernmental organizations, volunteers, experts, local government, and other organizations.

International disaster relief serves as the primary channel for UM assistance. In the short term, UMCOR provides funds to our partners for basic needs to ease human suffering. In the long term, we work with local partners toward recovery and reconstruction.

UMCOR and Global Ministries address the global migration challenges guided by four principles: the right to stay and flourish in one's country of origin; safe passage for those with no viable alternative but to leave; welcoming and belonging; and support for those returning to their home after deportation.

The response of UMCOR isn't something 'they' do. It's something 'we' do. That's because your generous giving to UMCOR (formerly One Great Hour of Sharing) is what allows UMCOR to act as the arms & legs of Christ's church, moving toward the most vulnerable in their darkest days. Convinced that all people have God-given worth & dignity—without regard to race, religion or gender—together we are assisting those impacted by crisis or chronic need.

UMCOR HAS BEEN REBUILDING HOPE FOR NEARLY 80 YEARS, AND WE THANK YOU FOR BEING PART OF THIS LEGACY.
