

The Trinity Church kitchen is open to any group &/or individual that chooses to use it, whether it's for an event, meeting, party, etc. When you use the kitchen & its facilities, please keep these simple things in mind:

✓Everything that is stored in a refrigerator or freezer needs to be labeled with whose it is, the date, & what it is. This will ensure no one throws it away. It's easy to forget things in the refrigerator, but we don't want any "surprises" that the health inspector would certainly frown upon. We'll try to keep labels & pens readily available. PLEASE watch the dates on any dairy products that you store in the refrigerator.

✓All dishes used should be washed, dried, & put away if possible. Counter tops should be wiped down, & please make sure the ovens, stove, & outside of the refrigerator aren't left a mess.

✓After the Wednesday night meal, the silverware needs to be covered with a dish towel if it's left in the tray to dry.

Thank you for taking care of the kitchen!

Reading through the Bible in a year—The current readings in the Old Testament are the middle chapters of Exodus. They include instructions to Israel in how to worship God through sacrifices. Also, instructions to the priesthood and exactly how to build the Tabernacle. How do we relate to these instructions today? Why is that level of detail included for us in the Bible? The New Testament reading is still in Matthew. We are experiencing the end of Jesus' ministry & all that went with it. The Last Supper, the betrayal, the trial, Peter's denials, & everything that leads to Easter morning. We invite anyone interested in opening their Bible daily to join us in this year-long journey through the Bible. All are welcome.

Feeding America trucks will be here on Saturday, June 2 & Saturday, August 4. Volunteers will be needed. Please tell Chris Langer, (906)239-6096, if you can help with either truck or both.

Thank you for continuing to turn in cash register tapes from Econo Foods & Super One Foods. In 2017, we received \$2,141.79 from Econo Foods & Super One tapes that you turned in to us. We also collect UPCs from Our Family brand products. Money that we receive for the tapes & UPCs goes to our General Fund. Collection boxes are in the narthex at the Carpenter Ave. entrance & on the bulletin board by the west door to the Sanctuary.

Bay Cliff Health Camp is February's Mission of the Month. Bay Cliff is a world for special children between the ages of three & 18, & there you'll find children laughing & playing, while facing life with wheelchairs, leg braces, & hearing aids. You'll find children with cardiac problems, diabetes, speech & hearing deficiencies, & other handicaps.

Since its beginning in 1933, Bay Cliff Health Camp has promoted the health, welfare, happiness, & development of the children in the Upper Peninsula.

All children receive daily therapy while participating in a variety of outdoor activities. Their special needs are met through programs approved by their doctors. These include reading; swimming; & speech, physical, & occupational therapy. College students from around the U.S., as well as other countries, seek employment at the camp to find practical application for the things they have learned in the classroom. And now Bay Cliff has expanded its capabilities for year-round use.

Again this year, we would like to help support Bay Cliff Health Camp. Thank you for your donation.

**Everyone is invited to the
Ash Wednesday worship service
on February 14 at 6:00 p.m.**

Name Tags: Church Council has decided to remove all the name tags from the Gathering Room & the Carpenter Ave. entrance. They are seldom used & could create confusion for those who come to Trinity for the first time. If you want your name tag, Sally is keeping them in the office.
